

By clicking below, I understand that:

- The online training consists of 18 modules.
- I will be prompted to input my name, state, email address and course number for each module
- When I complete each module I will receive a Certificate of Completion
- I can immediately print the certificate and it will also be emailed to me
 - If I do not get the Certificate I have done something wrong

I MUST print or be able to show on a mobile device all 18 certificates of completion the morning of class, if I do not bring them I will not be permitted to attend the class.
